## Support. Innovate. Impact.

The HOC Navigators giving circle - the Circle of Caring - invites you to join a group of like-minded individuals who are passionate about enhancing advanced illness, end-of-life, and grief care for patients and their families. Find connection and belonging at our quarterly events while learning about programs at Hospice of Cincinnati and HOC Navigators. And, partner together to support programs that will improve access and impact the quality of care provided at HOC.

We invite you to attend one of our networking and educational events!
