Thank you Thursday Flower Volunteers Carolyn, Judy, Phyllis and Susan for sprucing up the pots!

EPIC is Raising the BAR on HOC Care

HOC is upgrading this month to EPIC. Most hospital systems use EPIC including TriHealth and we are excited to be the first hospice in Cincinnati to use.

EPIC will allow us to more seamlessly transition patient information from other medical providers creating a better patient and family experience. This project has been a BIG undertaking with over 500 staff members to train.

In addition, to training and helping with data entry, the Volunteers Services team has been working to ensure everyone has a nice lunch each day that was sponsored by the Bethesda Foundation. Additionally, we are hosting daily BARs to create some positive energy (all non-alcoholic of course!) We've had popcorn bars, aromatherapy bars, coffee bars, yogurt bars, art bars, float bars and salsa bars. So much FUN and the HOC team has appreciated!!!

Canine Caper - October 30th
